(b) Every July 1 after the Effective Date of any Contract, the hourly wage shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor and shall be rounded up to the nearest multiple of $0.05. Such increase shall remain in effect until any subsequent adjustment is made or upon termination of the Contract or any extensions thereof.

(c) If the Board’s Purchasing Agent has reason to believe that any employee has been paid less than the wage required under the Contract, or upon receipt of a written verified complaint from such employee, the Purchasing Agent is authorized to conduct an investigation to determine whether this Section has been violated.

If Contractor or any subcontractor is subject to a collective bargaining agreement on the effective date of the Contract that includes salary requirements that are different from those required by this Section, the collective bargaining agreement shall control. Such efforts may be taken into account by the Board in awarding contracts pursuant to this RFP.
Contractor's failure to carry out its MBE/WBE commitments in the course of Contractor's performance shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedy as the Board deems appropriate.
